

The Rise of Micasa Lagos

What was once bare land is rapidly evolving into a structured development. Progress is steady, deliberate, and ahead of market demand.

Development Progress

- Foundational works fully in place
- Floor reinforcements underway
- Perimeter fencing 100% completed
- Structured, visible transformation on site
- Early investors positioned ahead of market

Strategic Investment

This is how smart investments are made —

Early.

Informed.

Ahead of demand.

Why Micasa Lagos is a Smart Move

Location, progress and solid title documentation — Micasa checks every box for the strategic investor.

Location

- Elerangbe, Ibeju-Lekki
- High-growth corridor
- Near Lekki Free Trade Zone
- Dangote Refinery axis

Development

- Foundations in place
- Floor reinforcements ongoing
- Perimeter fencing complete
- Steady, deliberate progress

Investment Edge

- Government Allocated C of O
- Buy before market peak
- Capital appreciation expected
- Verified, secure title
