

PROPERTYJARREALTY LTD

DC Solar Farms Estate

A visionary community at **Olibori/Sogbake Village, Near Alapako Oni, Off Lagos-Ibadan Expressway** — reconnecting people with nature through sustainable living. We offer more than land; we sell a lifestyle of peace, serenity, and true country living, ideal for a retirement haven or a home away from the city.

Rebuilding the Agro Culture

With one-acre plots, bungalow-style homes, and integrated agriculture, every space is fully solar-powered, eco-friendly, and designed for **zero carbon emission living**.

1 Acre Minimum

Spacious plots for true country living

Bungalow-Style Homes

No high-rise buildings — low, open fencing preserves the serene landscape

Integrated Agriculture

Farming, ranching, or poultry on every plot

Fully Solar-Powered

Eco-friendly homes with zero carbon emissions
