The Rise of Micasa Lagos

- What was once bare land is rapidly evolving into a structured development.
- Foundational works are fully in place and floor reinforcements have begun.
- Perimeter fencing is 100% completed – visible, tangible progress.
- Development is steady, deliberate, and well ahead of schedule.
- This is how strategic investments are made – early, informed, and ahead of market demand.

Why Invest Now?

- Early-stage pricing – lowest entry point available
- C of O title – government secured, zero land disputes
- Ibeju-Lekki – Nigeria's fastest-growing investment corridor
- Near Dangote Refinery, Lekki Deep Sea Port & Free Trade Zone
- Structured development already underway – not speculative
- Limited plots available – scarcity drives value appreciation
